

To the Members of Steamhouse India Limited

Opinion

We have audited the accompanying standalone financial statements of Steamhouse India Limited . ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2025 and the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Cash Flow and the Standalone Statement of Changes in Equity for the year then ended, and a summary of the Material Accounting Policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its Profit (including Other Comprehensive Income), Changes in Equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Director is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the Standalone Financial Statement and our auditor's report thereon.

Our opinion on standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information, and in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with accounting principles generally accepted in India, including Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can

arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone

financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the company so far as it appears from our examination of those books.
 - c. The Standalone Balance Sheet, the Standalone Statement of Profit and Loss including Other Comprehensive Income, Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account
 - d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors on 31st March, 2025 taken on record by the Board of Directors, none of

the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.

- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company have disclosed the matters under litigation at note 28 of the standalone financial statements which may impact its financial position.
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv) 1. The Management has represented that, to the best of it's knowledge and belief no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 2. The Management has represented, that, to the best of it's knowledge and belief no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 3. Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under clause (i) and (ii) of Rule 11(e) contain any material mis-statement.

- v) No dividend is declared or paid during the year, accordingly Rule 11(f) is not applicable.
- vi) Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the company as per the statutory requirements for record retention.
3. In our Opinion and according to information and explanations provided to us, the remuneration (including sitting fees and commission) paid or payable by company to its Directors during the current financial year is in accordance with the provisions of section 197 of the Companies Act, 2013 and not in excess of the limit laid down therein.

ANNEXURE 'A' TO AUDIT REPORT

(As referred to in our Report of even date)

- (i) (a) (A) The Company has maintained proper records showing full particulars and situation of Property, Plant and Equipment except in case of certain Plant & Machinery, where the Company is in the process of updating the records for situation of these assets.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) According to information and explanations given to us, the Company has a regular programme of physical verification of its property, plant, and equipment by which all property, plant and equipment are verified in a phased manner over a period of three years. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to information and explanations given to us and on the basis of our examination of the records of the Company, title deeds in respect of immovable properties (other than the Company is lessee of immovable property and the lease agreement is duly executed in favour of the lessee) disclosed in the in the financial statements are held in the name of the Company.
- (d) The Company has not revalued its Property, Plant & Equipment or Intangible Assets during the year. Accordingly, the reporting under clause 3 (i) (d) of the Order is not applicable to the Company.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of verification by the management is reasonable and coverage and procedure of such verification is reasonable and appropriate. No discrepancies of 10% or more in aggregate of inventory were noticed.

(b) In our opinion and according to the information and explanations given to us, the company has been sanctioned working capital limits in excess of rupees five crores, in aggregate, from banks or financial institutions which are secured on the basis of security of current assets. As per sanction letter produced before us, the company is not required to file any quarterly returns or statements with such banks or financial institutions.

(iii) (a) (A) Based on the audit procedures carried on by us and as per the information and explanations given to us, the Company has not provided loans to subsidiaries and associates. There is no joint venture of the Company.

(B) Based on the audit procedures carried on by us and as per the information and explanations given to us, the Company has provided loans, or stood guarantee to any other entity as below: (Rs. In Million)

Particulars	Loans
Aggregate amount during the year	
- Others	20.00
Balance outstanding as at balance sheet date	
- Others	20.00

(b) According to the information and explanations given to us and based on the audit procedures conducted by us, we are of the opinion that the terms and conditions on which loans have been granted by the company during the year (aggregating to Rs.20.00 million and balance outstanding as at the balance sheet date is Rs. 20.00 million) are not prejudicial to the company's interest.

(c) In case of the loans and advances in the nature of loan, schedule of repayment of principal and payment of interest have not been stipulated as the same are repayable on demand.

(d) In case of the loans and advances in the nature of loan, schedule of repayment of principal and payment of interest have not been stipulated as the same are repayable on demand.

(e) As the loans given are repayable on demand, it is not possible to comment as to whether there is any amount which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdue of existing loans given to the same parties.

(f) According to the information explanation provided to us, the Company has granted loans/advances in the nature of loans repayable on demand or

without specifying any terms or period of repayment. The details of the same are as follows:

(Rs. In Million)

Particulars	All Parties	Related Parties	Others
Aggregate amount of loans			
- Repayable on Demand	20.00	-	20.00
- Agreement does not specify any terms or period of repayment	-	-	-
Total	20.00	-	20.00
Percentage of loans/ advances in nature of loans to the total loans	100%	-	100.00%

- (iv)** According to the information and explanations given to us and on the basis of our examination of records of the Company, in respect of investments made and loans, guarantees given by the Company, in our opinion the provisions of Section 185 and 186 of the Companies Act, 2013 ("the Act") have been complied with.
- (v)** The Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014. Consequently, the clause 3 (v) is not applicable to the Company.
- (vi)** We have broadly reviewed the books of account maintained by the Company pursuant to the rules prescribed by the Central Government for the maintenance of cost records under section 148(1) of the Act, in respect of the Company's products to which the said rules are made applicable, and are of the opinion that, prima facie the prescribed accounts and records are being maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- (vii) (a)** The Company does not have liability in respect of Service tax, Duty of excise, Sales tax and Value added tax during the year since effective 1 July 2017, these statutory dues have been subsumed into Goods and Service Tax.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company is regular in depositing with appropriate authorities undisputed statutory dues including Goods and Service Tax, Provident Fund, Employees' State Insurance, Income Tax, Duty of Customs and other statutory dues applicable to it. Further, no undisputed amounts payables in respect of Goods and Service Tax, Provident Fund, Employees' State Insurance, Income Tax, Duty of Customs and other statutory dues were in arrears, as of March 31, 2025, for a period of more than six months from the date they become payable.

- (b) Statutory Dues which have not been deposited as at March 31, 2025 on account of dispute are given below:

Rs. in Millions

Name of the Statute	Nature of Dues	Amount (Rs.)	Period to which the amount relates	Forum where dispute is pending	Remarks, if any.
Central Goods and Service Tax Act, 2017	Outstanding Demand	1.85	FY 2021-22 & FY 2022-23	Office of the Superintendent Of CGST & Central Excise	
Income Tax Act, 1961	Outstanding Demand	-	FY 2023-24	ACIT	Interest payable is 0.01

- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.

- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the company, the Company has not

defaulted in repayment of loans or other borrowings or in payment of interest to any lender during the year.

- (b)** According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a willful defaulter by any bank or financial institution or government or government authority.
- (c)** According to the information and explanations given to us and on the basis of our examination of the records of the company, term loan availed by the company during the year were prima facie applied for the purposes for which the loans were obtained, though idle/surplus funds which were not required for immediate utilization were temporarily taken in overdraft account.
- (d)** According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e)** According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, as defined under the Act. Accordingly, clause 3(ix)(e) of the Order is not applicable.
- (f)** According to the information and explanations given to us and on the basis of our examination of the records of the Company, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries (as defined under the Act).
- (x) (a)** The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b)** According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or (fully, partially or optionally) convertible debentures during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a)** Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in the Standards on Auditing, we report

that no fraud by the Company or on the Company has been noticed or reported during the course of the audit.

- (b)** According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c)** As represented to us by the management, there are no whistle blower complaints received by the company during the year
- (xii)** The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.
- (xiii)** According to the records obtained, and information and explanations provided to us, the Company has complied with the provisions of the section 177 and 188 of the Act. The details of the transactions are also disclosed in the Financial Statements.
- (xiv) (a)** In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
- (b)** We have considered internal audit reports of the Company issued till date for the period under audit.
- (xv)** In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.
- (xvi) (a)** The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.
- (b)** The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
- (c)** The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
- (d)** According to the information and explanations provided to us during the course of audit, the Group does not have any CICs. Accordingly, clause 3(xvi)(d) of the Order is not applicable.

- (xvii) Based on the overall review of financial statements, the Company has not incurred cash losses in the current financial year and in the immediately preceding financial year. Accordingly, clause 3(xvii) of the Order is not applicable.
- (xviii) There has not been any resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the order is not applicable.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) In our opinion and according to the information and explanations given to us, provisions of section 135 of the Act are applicable to the Company. The company has made the required contributions during the year and there are no unspent amount which are required to be transferred to the special account as on the date of our audit report. Accordingly, the provisions of paragraph 3(xx)(a) and 3(xx)(b) of the Order are not applicable.
- (xxi) Reporting under clause 3(xxi) of the order is not applicable at the standalone level of reporting.

ANNEXURE 'B' TO AUDITOR'S REPORT PERIOD ENDED MARCH 31, 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Steamhouse India Limited** as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the period ended on that date.

Management's Responsibility for the Financial Statements

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating

effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

Company Overview

Steamhouse India Limited ("the Company") is an unlisted Public Company incorporated in 2015 and having its registered office in Surat, Gujarat, India. The Company provides industrial consumable steam through a network of pipelines, eliminating the need for individual boilers in industries. The Company employs advanced technology for monitoring steam quality, pressure, and temperature to ensure optimal performance.

The standalone financial statements have been prepared and presented in Indian Rupees, unless otherwise stated and rounded off up to two decimals to rupees in millions.

Summary of Material Accounting Policies

1. Basis of preparation and presentation of Financial Information –

The Standalone Financial Statements of the Company comprise the Standalone Balance Sheet as at March 31, 2025, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statements of Cash Flows for the year ended March 31, 2025 and the Summary of Material Accounting Policies and explanatory information (collectively, the 'Standalone Financial Statements') has been prepared in accordance with the Indian Accounting Standards ('Ind AS') notified under section 133 of the Companies Act, 2013 (the "Act") read with the Companies (Indian Accounting Standards) Rules, 2015, (as amended) and presentation requirements of Division II of Schedule III to the Act ("Ind AS compliant Schedule III"); as applicable to the Company.

The Standalone Financial Statements have been prepared under the historical cost convention on the accrual basis except certain financial assets and liabilities (including derivative instruments) that are measured at fair value; and net defined benefit (asset) / liability that are measured at fair value of plan assets less present value of defined benefit obligations.

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

2. Current and non-current classification of assets and liabilities

The Company presents assets and liabilities in the Standalone Balance Sheet based on Current/ Non-Current classification.

An asset is treated as Current when it is –

- (i) Expected to be realized or intended to be sold or consumed in normal operating cycle;
- (ii) Held primarily for the purpose of trading;
- (iii) Expected to be realized within twelve months after the reporting period, or
- (iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other assets are classified as non-current.

A liability is current when it is –

- (i) Expected to be settled in normal operating cycle
- (ii) Held primarily for the purpose of trading;
- (iii) Due to be settled within twelve months after the reporting period, or
- (iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating Cycle

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

3. Use of judgments, estimates and assumptions

The preparation of financial information in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, current assets, non-current assets, current liabilities, non-current liabilities, and the disclosure of the contingent liabilities on the date of the preparation of Standalone Financial Statements. Such estimates are on a reasonable and prudent basis considering all available information, however due to uncertainties about these judgments, estimates and assumptions, the actual results could differ from those estimates. Information about each of these estimates and judgments is included in relevant notes. Any revision to accounting estimates is recognized prospectively in current and future periods.

Judgments

Information about judgments made in applying accounting policies that have the most significant effects on the amounts recognized in the financial information is included in the classification of financial assets and financial liabilities: assessment of business model within which the assets are held and assessment of whether the contractual terms of the financial assets are solely payments of principal and interest on the principal amount outstanding.

Assumptions and estimation uncertainties

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment, assumptions and estimation uncertainties are provided here, whereas the quantitative break-ups for the same are provided in the notes mentioned below:

- Useful life of depreciable assets, Property, Plant and Equipment and Other Intangible Assets
- Recognition of contingencies, key assumptions about the likelihood and magnitude of outflow of resources

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

- Recognition of tax expenses including deferred tax
- Defined benefit obligation, key actuarial assumptions
- Impairment of trade receivables
- Valuation of Inventories

4. Going concern assumptions

These Standalone Financial Statements have been prepared on a going concern basis. The management has, given the significant uncertainties arising out of the various situations, assessed the cash flow projections and available liquidity for a period of at least twelve months from the date of this Standalone Financial Statements. Based on this evaluation, management believes that the Company will be able to continue as a "going concern" in the foreseeable future and for a period of at least twelve months from the date of these Standalone Financial Statements based on the following:

- Expected future operating cash flows based on business projections, and
- Available credit facilities with its bankers

Based on the above factors, the management has concluded that the "going concern" assumption is appropriate. Accordingly, the Standalone Financial Statements do not include any adjustments regarding the recoverability and classification of the carrying amount of assets and classification of liabilities that might result, should the Company be unable to continue as a going concern.

5. Fair Value Measurement

The Company measures financial instruments, such as, investments at fair value at each reporting date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

transfer the liability takes place either:

- (i) In the principal market for the asset or liability, or
- (ii) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- (i) Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- (ii) Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- (iii) Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities whether transfers have occurred between levels in the hierarchy by re-assessing that are recognized in the financial statements on a recurring basis, the Company determines categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The management determines the policies and procedures for both recurring fair value

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

measurement as well as for non- recurring measurement.

At each reporting date, the management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The management also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

6. Investments in subsidiaries, Associates and Joint Ventures -

The investment in subsidiaries and associates are carried in these Standalone Financial Statements at historical cost, except when the investment, or a portion thereof, is classified as held for sale, in which case, it is accounted for as Non-Current assets held for sale and discontinued operations.

Where the carrying amount of investment is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is transferred to the Standalone Statement of Profit and Loss.

On disposal of investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the Standalone Statement of Profit and Loss.

7. Property, Plant and Equipment (including Capital Work in Progress) –

Recognition and measurement

Property, plant and equipment and capital work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost includes purchase price (after deducting trade discount / rebate), non-refundable import duties

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

and taxes, cost of replacing the component parts, borrowing costs and other directly attributable cost to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Property, Plant and Equipment which are significant to the total cost of that item of Property, Plant and Equipment and having different useful life are accounted separately. Other Indirect Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre-operative expenses and disclosed under Capital Work-in-Progress.

Major shutdown and overhaul expenditure is capitalized as the activities undertaken improves the economic benefits expected to arise from the asset. It includes professional fees and, for qualifying assets, borrowing costs capitalized in accordance with the Company's accounting policy based on Ind AS 23 – Borrowing costs. Such properties are classified to the appropriate categories of PPE when completed and ready for intended use. Assets in the course of construction are classified under Capital Work-in-Progress. At the point when operating of an asset commences as per the management's intended use, the cost of construction/erection is transferred to the appropriate category of property, plant and equipment and depreciation is charged. Costs associated with the commissioning of an asset and any obligatory decommissioning costs are capitalized where the asset is available for use but incapable of operating at normal levels until a year of commissioning has been completed. Revenue generated from production during the trial period is capitalized. Property, plant and equipment except freehold land held for use in the production, supply or administrative purposes, are stated in the Standalone Balance Sheet at cost less accumulated depreciation and accumulated impairment losses, if any.

An item of PPE is de-recognized on disposal or when no future economic benefits are expected from use. Any profit or loss arising on the de-recognition of an item of property, plant and equipment is determined as the difference between the net disposal proceeds and the carrying amount of the asset and is recognized in Standalone Statement of Profit and Loss.

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

Subsequent costs

The cost of replacing a part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is de- recognized. The cost of the day-to-day servicing the property, plant and equipment are recognized in the Standalone Statement of Profit and Loss as incurred.

Derecognition

An item of property, plant and equipment is de-recognized upon the disposal or when no future benefits are expected from its use or disposal. Any gain and loss on disposal of an item of property, plant and equipment is determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized net within other income / expenses in the Standalone Statement of Profit and Loss.

Depreciation

Depreciation on Property, Plant and Equipment is provided using Straight Line Method on depreciable amount. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

The depreciable amount of an asset is determined after deducting its residual value. Where the residual value of an asset increases to an amount equal to or greater than the asset's carrying amount, no depreciation charge is recognized till the asset's residual value decreases below the asset's carrying amount. Depreciation of an asset begins when it is available for use, i.e., when it is in the location and condition necessary for it to be capable of operating in the intended manner. Depreciation of an asset ceases at the earlier of the date that the assets classified as held for sale in accordance with Ind AS 105 and the date that the asset is de-recognized.

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period and if the expectations differ from the previous estimates; the change is accounted for as a change in accounting estimate on a prospective basis.

The property, plant and equipment acquired under finance leases is depreciated over the asset's useful life or over the shorter of the asset's useful life and the lease term if there is no reasonable certainty that the Company will obtain ownership at the end of the lease term.

8. Leases -

At inception of a contract, the Company assesses whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether the contract involves the use of an identified asset:

- This may be specified explicitly or implicitly and should be physically distinct or represent substantially all of the capacity of a physically distinct asset. If the supplier has a substantive substitution right, then the asset is not identified.
- The Company has the right to obtain substantially all of the economic benefits from use of the asset throughout the period of use; and
- The Company has the right to direct the use of the asset. The Company has this right when it has the decision making rights that are most relevant to changing how and for what purpose the asset is used. In rare cases where the decision about how and for what purpose the asset is used is predetermined, the Company has the right to direct the use of the asset if either:
 - The Company has the right to operate the asset; or
 - The Company designed the asset in a way that predetermines how and for what

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

purpose it will be used.

At inception or on reassessment of a contract that contains a lease component, the Company allocates the consideration in the contract to each lease component on the basis of their relative stand-alone prices. However, company has availed exemption in respect of allocating consideration in respect of component of land and building. However, as a lessee, the company recognizes a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right of use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Interest rate implicit in the lease or, if that rate cannot be readily determined, company's incremental borrowing rate. Generally, the company uses its incremental borrowing rate as the discount rate. Lease payments included in the measurement of the lease liability comprise the following –

- Fixed payments, including in-substance fixed payments;
- Variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

- Any amount accrued for payment as per Agreement
- Amounts expected to be payable under a residual value guarantee; and
- The exercise price under a purchase option that the company is reasonably certain to exercise, lease payments in an optional renewal period if the company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the company is reasonably certain not to terminate early.

The lease liability is measured at amortized cost using the effective interest method. It is re-measured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the company's estimate of the amount expected to be payable under a residual value guarantee, or if company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is re-measured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in Standalone Statement of Profit and Loss if the carrying amount of the right-of-use asset has been reduced to zero.

The company presents right-of-use assets that do not meet the definition of investment property as a separate line item 'ROU Assets' and lease liabilities as a separate line item 'Lease Liability' in the Standalone Balance Sheet.

Short-term leases and leases of low-value assets

The company has elected not to recognize right of use assets and lease liabilities for short term leases of real estate properties that have a lease term of 12 months. The company recognizes the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

9. Intangible Assets –

Recognition and measurement

Intangible assets are recognized when the asset is identifiable, is within the control of the Company, it is probable that the future economic benefits that are attributable to the asset

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

will flow to the Company and cost of the asset can be reliably measured. Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Intangible assets acquired by the Company that have finite useful lives are measured at cost less accumulated amortization and any accumulated impairment losses. Intangible assets with indefinite useful lives are not amortized, but are tested for impairment annually, either individually or at the cash-generating unit level. Expenditure on Research activities is recognized in the Standalone Statement of Profit and Loss as incurred. Development expenditure is capitalized only if the expenditure can be measured reliably, the product or process is technically and commercially feasible, future economic benefits are probable, and the Company intends to complete development and to use or sell the asset. Intangible assets which comprise of the development expenditure incurred on new product and expenditure incurred on acquisition of user licenses for computer software is recorded at their acquisition price.

Subsequent measurement

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates.

Amortization

The useful lives of intangible sets are assessed as either finite or indefinite. Intangible assets i.e., computer software is amortized on a straight-line basis over the period of expected future benefits commencing from the date the asset is available for its use. Intangible assets are assessed for impairment whenever there is an indication that the intangible asset may be impaired.

Derecognition

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

are recognized in the Standalone Statement of Profit and Loss when the asset is de-recognize.

10. Financial Instruments –

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Initial Recognition and Measurement

Financial assets and/or financial liabilities are recognized when the Company becomes party to a contract embodying the related financial instruments. All financial assets, financial liabilities and financial guarantee contracts are initially measured at transaction values and where such values are different from the fairvalue, at fair value. Transaction costs that are attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from as the case may be, the fair value of such financial assets or liabilities, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in Standalone Statement of Profit and Loss.

Offset

A financial asset and a financial liability are offset and presented on net basis in the Standalone Balance Sheet when there is a current legally enforceable right to set- off the recognized amounts and it is intended to either settle on net basis or to realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

I. Financial Assets

Subsequent Measurements:

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

For subsequent measurement, the company classifies financial asset in following broad categories:

- i. Financial asset carried at amortized cost.
- ii. Financial asset carried at fair value through other comprehensive income (FVTOCI)
- iii. Financial asset carried at fair value through profit or loss (FVTPL)

i. Financial asset carried at amortized cost (net of any write down for impairment, if any):

Financial assets are measured at amortized cost when asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest. Such financial assets are subsequently measured at amortized costs using Effective Interest Rate (EIR) method less impairment, if any. The losses arising from impairment are recognized in the Standalone Statement of Profit and Loss. Cash and bank balances, trade receivables, loans and other financial asset of the company are covered under this category.

Under the EIR method, the future cash receipts are exactly discounted to the initial recognition value using EIR. The cumulative amortization using the EIR method of the difference between the initial recognition amount and maturity amount is shown as ROU Asset on the face of the Standalone Balance Sheet (net of principal repayments, if any) which is amortized over the relevant period of the financial asset to arrive at amortized cost at each reporting date. The corresponding effect of the amortization under EIR method is recognized as interest income over the relevant period of the financial asset. The same is included under "other income" in the Standalone Statement of Profit and Loss. The amortized cost of the financial asset is also adjusted for loss allowance, if any.

ii. Financial asset carried at FVTOCI:

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

Financial asset under this category are measured initially as well as at each reporting date at fair value, when asset is held with a business model whose objective is to hold asset for both collecting contractual cash flows and selling financial assets. Fair value movements are recognized in the other comprehensive income.

iii. Financial asset carried at FVTPL:

Financial asset under this category are measured initially as well as at each reporting date at fair value. Changes in fair value are recognized in the Standalone Statement of Profit and Loss.

Derecognition:

A financial asset is primarily derecognized when rights to receive cash flows from the asset have expired or the Company has transferred its contractual rights to receive cash flows of the financial asset and has substantially transferred all the risk and reward of the ownership of the financial asset.

Impairment of financial asset:

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original effective interest rate. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial asset. 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months from the reporting date.

For trade receivables, the Company applies 'simplified approach' which requires expected lifetime losses to be recognized from initial recognition of the receivables. The

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analyzed. For other assets, the Company uses 12 Month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used. ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the Standalone Statement of Profit and Loss under the head 'Other expenses'.

II. Financial Liabilities:

Subsequent measurement:

For subsequent measurement, the company classifies financial asset in following broad categories:

- i. Financial liability carried at amortized cost.
- ii. Financial liability carried at fair value through profit or loss (FVTPL)
- i. **Financial liability carried at amortized cost.**

Interest-bearing loans and borrowings are subsequently measured at amortized cost using the Effective Interest Rate (EIR) method. Gains and losses are recognized in Standalone Statement of Profit and Loss when the liabilities are derecognized as well as through EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the standalone statement of profit and loss.

Non-interest bearing deposit and loans, company measures it at amortized cost using the Effective Interest Rate (EIR) method. Under the EIR method, the future cash receipts are exactly discounted to the initial recognition value using EIR. The cumulative amortization using the EIR method of the difference between the initial

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

recognition amount and maturity amount is shown as separate line item (net of principal repayments, if any) on the face of the Standalone Balance Sheet, which is deferred over the relevant period of the financial liability to arrive at amortized cost at each reporting date. The corresponding effect of the amortization under EIR method is recognized as interest expense over the relevant period of the financial liability. The same is included under "Finance Charges" in the Standalone Statement of Profit and Loss. The amortized cost of the financial liability is also adjusted for gain allowance, if any.

ii. Financial liability carried at fair value through profit or loss (FVTPL)

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities under this category are measured initially as well as at each reporting date at fair value. Changes in fair value are recognized in the standalone statement of profit or loss.

Derecognition of financial liabilities:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Standalone Statement of Profit and Loss.

11. Business combination under common control -

Business combinations involving entities or businesses under common control are accounted for using the pooling of interest method. Under pooling of interest method, the assets and liabilities of the combining entities or businesses are reflected at their carrying amounts after making adjustments necessary to harmonize the accounting policies. The

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

financial information in respect of prior periods is restated as if the business combination had occurred from the beginning of the preceding period in the financial information, irrespective of the actual date of the combination. The identity of the reserves is preserved in the same form in which they appeared in the Financial Statements of the transferor and the difference, if any, between the amounts recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve.

12. Impairment of Non-Financial Assets – Property, Plant and Equipment and Intangible Assets -

At the end of each reporting period, the Company reviews the carrying amounts of non-financial assets, other than inventories and deferred tax assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized immediately in Standalone Statement of Profit and Loss. Impairment loss recognized in respect of a CGU is allocated to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

Non-Financial Assets (other than goodwill) for which impairment loss has been recognized in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in Standalone Statement of Profit and Loss.

13. Inventories -

Inventories comprise of Raw materials and finished goods. Inventories are measured at the lower of cost or net realizable value (NRV). Cost is determined on first-in-first-out (FIFO) method. Cost includes all charges in bringing the goods to their present location and condition. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

14. Cash and Cash Equivalents -

Cash comprises cash on hand and demand deposit with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

15. Provisions, Contingent Liabilities and Contingent Assets –

Provisions are recognized for when the Company has at present, legal or contractual obligation as a result of past events, only if it is probable that an outflow of resources embodying economic outgo or loss will be required and the amount involved can be measured reliably. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities being a possible obligation as a result of past events, the existence of which will be confirmed only by the occurrence or non- occurrence of one or more future events not wholly in control of the Company are not recognized in the accounts. The nature of such liabilities and an estimate of its financial effect are disclosed in notes to the Standalone Financial Statements.

Contingent assets are not recognized in the financial information. However, the nature of such assets and an estimate of its financial effect are disclosed in notes to the Standalone Financial Statements.

16. Employee Benefits –

Employee benefits include gratuity, compensated absences, contribution to provident fund, employees' state insurance and superannuation fund.

Short Term Employee Benefits

Employee benefits payable wholly within twelve months of rendering the services are classified as short-term employee benefits and recognized in the period in which the employee renders the related service. These are recognized at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Post-Employment Benefits

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

Defined Contribution Plans

Retirement benefits in the form of provident fund, state insurance and superannuation fund are defined contribution schemes where the Company's legal or constructive obligation is limited to the amount that it contributes to a sperate legal entity. The Company recognizes contribution payable to the funds as an expense, when an employee renders the related service.

Defined Benefit Plans

The Company operates a defined benefit gratuity. The cost of providing benefits under the defined benefit plan is determined based on actuarial valuation, carried out by an independent actuary, using the projected unit credit method. When the calculation results in a potential asset for the company, the recognized asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contribution to the plan. The liability for gratuity is funded annually to a gratuity funds maintained with the Life Insurance Company Limited.

Re-measurements gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized immediately in the Standalone Balance Sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Re-measurements are not reclassified to Standalone Statement of Profit and Loss in subsequent periods. Net interest is calculated by applying the discount rate to the net balance of defined benefit liability or asset.

The Company recognizes the following changes in the net defined benefit obligation as an expense in the Standalone Statement of Profit and Loss in the line item "Employee Benefits Expense":

- Service cost including current service cost, past service cost, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income.

Compensated absences

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

The Group's policy permits employees to accumulate and carry forward a portion of unutilized compensated absences and utilize them in future periods or receive cash in lieu thereof in accordance with the terms of such policy. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each reporting period.

17. Tax Expenses –

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognized in Standalone Statement of Profit and Loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity, respectively.

Current Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-Tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantially enacted, at the reporting date.

Current income tax relating to items recognized outside the Standalone Statement of Profit and Loss is recognized outside the Standalone Statement of Profit and Loss (either in other comprehensive income (OCI) or in equity).

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

Deferred tax is recognized using the Standalone Balance Sheet approach. Deferred tax assets

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of unrecognized deferred tax assets are reviewed at each reporting date to assess their reliability and corresponding adjustment is made to carrying values of deferred tax assets in the Standalone Financial Statements.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and liabilities are offset where a legally enforceable right exists to offset current tax assets and liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority. Net outstanding balance in Deferred Tax account is recognized as deferred tax liability/asset.

18. Revenue Recognition –

Revenue from contract with customer is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services. Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as per contracts with the customers.

The specific recognition criteria from various stream of revenue are described below:

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

Sale of Goods

Revenue from the sale of goods is recognized when the control of the goods has been passed to the customer, generally steam passes through Steam Pipeline on continuous basis based on the requirements of the customer. Sales are billed fortnightly for most of the consumers. However, for some of the consumers, it is billed at the end of each month. Price of the Steam is variable, which is in line with the variability of Coal Prices. Revenue is booked at the price which mutually agreed with the consumers.

Rendering of Services

Revenue from services rendered is recognized when the work is performed and as per the terms of agreement.

Late Payment Charges

Revenue in respect of late payment charges on delayed realizations from customers and cheque bounce charges, if any, is recognized on grounds of prudence and based on certainty of collection.

Interest Income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

19. Foreign Currencies Transactions and Translation -

Functional and presentation currency

The financial information are presented in Indian Rupee (INR), which is entity's functional and presentation currency.

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

Transactions and Balances

Foreign currency transactions are translated into the functional currency, for initial recognition, using the exchange rates at the dates of the transactions.

All foreign currency denominated monetary assets and liabilities are translated at the exchange rates on the reporting date. Exchange differences arising on settlement or translation of monetary items are recognized in Standalone Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets which are capitalized as cost of assets. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

20. Share-based payments - Employee stock option Scheme (ESOP's)

The fair value of options granted under Employee Stock Option Plan is recognized as an employee benefits expense with a corresponding increase in the equity. The total amount to be expensed is determined by reference to the fair value of the options, derived using Discounted Cash Flows model. The total expense is recognized over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied. At the end of each period, the entity revises its estimates of the number of options that are expected to vest based on the non-market vesting and service conditions. It recognizes the impact of the revision to original estimates, if any, in the Statement of Profit and Loss, with a corresponding adjustment to the equity. Upon exercise of share options, the proceeds received are allocated to the share capital up to the par value of the shares issued with any excess being recorded as securities premium.

21. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset that necessarily takes a substantial period of time to get ready for its

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

intended use or sale are capitalized as part of the cost of the asset. Borrowing costs consist of interest and transaction costs that an entity incurs in connection with the borrowing of funds. Transaction costs in respect of long-term borrowings are amortized over the tenor of respective loans using effective interest method. All other borrowing costs are expensed in the period in which they are incurred. Borrowing costs also includes exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the borrowing costs.

Commencement of capitalization

Capitalization of borrowing cost as part of cost of a qualifying asset shall begin on the commencement date. The commencement date for capitalization is the date when the entity first meets all of the following conditions:

- i) it incurs expenditure for the asset;
- ii) it incurs borrowing costs; and
- iii) it undertakes activities that are necessary to prepare the asset for its intended use or sale.

Cessation of capitalization

Cessation of capitalization shall happen when substantially all the activities necessary to prepare the qualifying asset for its intended use or sale are completed.

22. Non-Current Assets Held for Sale -

The Company classifies assets and operations as held for sale / distribution to owners or as discontinued operations if their carrying amounts will be recovered principally through a sale / distribution rather than through continuing use. Classification as a discontinued operations occurs upon disposal or when the operation meets the below criteria, whichever is earlier.

Non-Current Assets are classified as held for sale only when both the conditions are

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

satisfied –

- i. The sale is highly probable, and
- ii. The asset or disposal group is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such assets.

Non-current assets which are subject to depreciation are not depreciated or amortized once those classified as held for sale.

A discontinued operation is a component of the Company's business, the operations of which can be clearly distinguished from those of the rest of the Company and

- i. is part of a single coordinated plan to dispose of a separate major line of business or geographical area of operations; or
- ii. is a subsidiary acquired exclusively with a view to resale.

Non-current assets held for sale / distribution to owners and discontinued operations are measured at the lower of their carrying amount and the fair value less costs to sell / distribute. Assets and liabilities classified as held for sale / distribution are presented separately in the Standalone Balance Sheet. The results of discontinued operations are excluded from the overall results of the Company and are presented separately in the Standalone Statement of Profit and Loss. Also, the comparative Standalone Statement of Profit and Loss is re-presented as if the operations had been discontinued from the start of the comparative period.

23. Equity Investment

Equity investments in subsidiaries are measured at cost. The investments are reviewed at each reporting date to determine whether there is any indication of impairment considering the provisions of Ind AS 36 'Impairment of Assets'. If any such indication exists, policy for impairment of nonfinancial assets is followed.

24. Earnings Per Share –

Basic EPS is computed by dividing the profit or loss attributable to the equity shareholders

STEAM HOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTE 1 TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENED MARCH 31, 2025

of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by dividing the profit or loss attributable to the ordinary equity shareholders adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to dilutive potential equity shares, by the weighted average number of equity shares for deriving the basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all the dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity would decrease the net profit per share from continuing ordinary operations.

25. Standalone Statement of Cash Flows –

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash from operating, investing and financing activities of the Company are segregated.

26. Standards issued but not yet effective

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended 31 March 2025, MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Group with effect from 1 April 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact on the Standalone Financial Statements.

Opening Balance as at April 01	270.28	197.84	197.84
Adjustment on account of modification of lease	3.68	-	-
Adjusted Opening balance	273.95	197.84	197.84
# Additions	297.90	145.38	-
Payments	86.48	72.95	-
Closing Balance as at March 31	485.37	270.28	197.84

The Company has accounted for variable lease payment under ROU of Road Infrastructure, which is based on unit rate charged by the lessor during the previous years; because future lease payment depends upon the prevailing rate after the completion of tenure. Company considers incremental rate of 10% p.a. in the future lease rent and accounted variable payment accordingly.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025*(All amounts are stated in INR in Millions unless otherwise stated)***40) Risk management**

The Company's activities expose it to market risk, liquidity risk, credit risk and commodity risk.

A. Liquidity Risk -

Liquidity risk refers to insufficiency of funds to meet the financial obligations. Liquidity risk management implies maintenance of sufficient cash and the availability of funding through an adequate amount of committed credit lines to meet obligations when due.

Maturities of financial liabilities:

The Company's remaining contractual maturity for its financial liabilities with agreed repayment periods is given below. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows. The contractual maturity is based on the earliest date on which the Company may be required to pay.

Particulars	As at March 31, 2025		
	Carrying Amount	Within 12 months	After 12 months
Borrowings	2,229.47	1,240.60	988.87
Lease Liability	485.37	77.22	408.15
Trade payables	780.35	780.35	
Other financial liabilities	113.27	34.13	79.13
Total non-derivative liabilities	3,608.46	2,132.30	1,476.16

Particulars	As at March 31, 2024		
	Carrying Amount	Within 12 months	After 12 months
Borrowings	2,027.06	1,046.72	980.34
Lease Liability	270.28	49.22	221.05
Trade payables	364.81	364.81	
Other financial liabilities	160.18	80.98	79.20
Total non-derivative liabilities	2,822.33	1,541.74	1,280.59

Particulars	As at April 1, 2023		
	Carrying Amount	Within 12 months	After 12 months
Borrowings	1,059.41	661.85	397.56
Lease Liability	197.84	16.12	181.72
Trade payables	217.15	217.15	
Other financial liabilities	121.84	77.21	44.63
Total non-derivative liabilities	1,596.25	972.33	623.91

The inflows/(outflows) disclosed in the above table represent the contractual undiscounted cash flows relating to derivative financial liabilities held for risk management purposes and which are not usually closed out before contractual maturity.

STEAMHOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025*(All amounts are stated in INR in Millions unless otherwise stated)***B. Credit risk**

The concentration of credit risk is very limited due to the fact that the customer base is large and widely dispersed and secured with security deposit. Credit risk is the risk of financial loss to the Company if a customer or counter-party to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. The Company's exposure to credit risk is influenced mainly by the Individual characteristics of each customer. The Company is dependent on the domestic market for its business and revenues. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with the industry and country in which customers operate. Exposures to credit risk The Company is exposed to the counterparty credit risk arising from the possibility that counterparties might fail to comply with contractual obligations. This exposure may arise with regard to unsettled amount. The Company's credit policies and practices with respect to distribution areas are designed to limit credit exposure by collecting security deposits prior to providing utility services or after utility service has commenced according to applicable regulatory requirements.

Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the Company uses expected credit loss model to assess impairment loss or gain. The Company uses a matrix to compute the expected credit loss allowance for trade receivables. The provision matrix takes into account available external and internal credit risk factors and Company's historical experience for customers;

- The company has not made any provision on expected credit loss on trade receivables and other financial assets, based on the management estimates.
- Credit risk on cash and cash equivalents is limited as the Company generally invests in deposits with banks and financial institutions with high credit ratings assigned by domestic credit rating agencies.

C. Market Risk**Currency Risk -**

The Company is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the USD Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the company's functional currency. The risk is measured through a forecast of highly probable foreign currency cash flows. The objective of the hedges is to minimise the volatility of the cash flows of highly probable forecast transactions by hedging the foreign exchange inflows on regular basis. Currency risks related to the principal amounts of the Company's foreign currency receivable/ payables have not been hedged using forward contracts.

Exposure to currency risk

Particulars	As at March 31, 2025	As at March 31, 2024	As at April 1, 2023
	USD	USD	USD
Financial Instruments			
Trade payables	-	-	
Net financial position exposure	-	-	

Interest risk

The Company has exposure to interest rate risk, arising principally on changes in Marginal Cost of Funds based Lending Rate (MCLR). A fall in the discount rate which is linked to the Government Security Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

	As at March 31, 2025	As at March 31, 2024	As at April 1, 2023
Fixed Rate Borrowings (*)	15.14	9.64	44.03
Variable Rate Borrowings	2,214.34	469.30	596.41

(*) This borrowing does not include the borrowing from related parties and current borrowings

STEAMHOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025*(All amounts are stated in INR in Millions unless otherwise stated)***Interest rate risk sensitivity:**

The below mentioned sensitivity analysis is based on the exposure to interest rates for floating rate borrowings. For this it is assumed that the amount of the floating rate liability outstanding at the end of the reporting period was outstanding for the whole year. If interest rates had been 100 basis points higher or lower, other variables being held constant, following is the impact on profit before tax:

Sensitivity Analysis	Impact on Profit Before Tax		
	As at March 31, 2025	As at March 31, 2024	As at April 1, 2023
Increase by 100 basis points	(22.14)	(4.69)	(5.96)
Decrease by 100 basis points	22.14	4.69	5.96

D. Commodity risk

The commodity exposure is mainly on account of Coal, a substantial part of which is a pass through cost and hence the commodity price exposure is not likely to have a material financial impact on the Company.

The Company has exposure to USD / INR exchange rate arising principally on account of import of coal. The Company does not follow a policy of hedging for such exposures and actual rupee costs of import of coal are substantially passed on to the consumers, because of which such commodity price exposure is not likely to have a material financial impact on the Company.

41) Capital management

The Company's capital comprises equity share capital, surplus in the statement of profit and loss and other equity attributable to equity holder.

The Company's objectives when managing capital are to :

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

The Company monitors capital using debt-equity ratio, which is net debt divided by total equity. These ratios are illustrated below :

Particulars	As at March 31, 2025	As at March 31, 2024	As at April 1, 2023
Total Borrowings	2,229.47	2,027.06	1,059.41
Less: Cash and Cash Equivalent	21.77	12.63	12.90
Net Liability	2,207.70	2,014.43	1,046.51
Total Equity	1,324.57	1,035.44	568.42
Net Debt-Equity Ratio	1.67	1.95	1.84

42) Employee Benefits

Employee Gratuity fund scheme is for the purpose of the Defined Benefits. The Company is making annual contributions for gratuities to funds administered by trustees and managed by insurer (LIC) for amounts notified by the insurer. The present value of obligation under such defined benefit plan is determined based on actuarial valuation carried out by an independent actuary.

The Company has paid premium under Staff Gratuity EGG Scheme with the LIC. Accordingly, all the required disclosures are provided in the financial statements to the extent details available from actuarial valuation report and LIC gratuity valuation report respectively.

These plans typically expose the Group to actuarial risks such as: Investment risk, interest rate risk, longevity risk and salary risk.

STEAMHOUSE INDIA LIMITED

CIN - U40300GJ2015PLC083493

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025

(All amounts are stated in INR in Millions unless otherwise stated)

Concentration risk:

Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very less as insurance companies have to follow regulatory guidelines.

Investment risk

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting year on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

Salary risk:

The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

1. Charge to the Statement of Profit and Loss based on Defined Contribution Plans

Particulars	As at March 31, 2025	As at March 31, 2024

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025*(All amounts are stated in INR in Millions unless otherwise stated)***M. Sensitivity Analysis -**

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024
Defined Benefit Obligation on Current Assumptions	6.26	6.05
Delta Effect of +1% Change in Rate of Discounting	(0.81)	(0.52)
Delta Effect of -1% Change in Rate of Discounting	1.01	0.65
Delta Effect of +1% Change in Rate of Salary Increase	0.85	0.60
Delta Effect of -1% Change in Rate of Salary Increase	(0.77)	(0.53)
Delta Effect of +1% Change in Rate of Employee Turnover	(0.07)	(0.04)
Delta Effect of -1% Change in Rate of Employee Turnover	0.07	0.04

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the Defined Benefit Obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the Defined Benefit Obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the Defined Benefit Obligation.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.
